Important Info & Procedures

1. Coaches, you may have to referee a game, even after a loss. This is the only way to ensure that we have referees through the Finals Round. Please make sure you understand the playoff schedule.
2. The higher seed team in each game is the Home Team.
3. A coin toss, 5 minutes before game start, will determine receiving team and kicking team before each game. The Home Team will call the coin toss. A maximum of 3 team captains from each team may be present.
4. Games will be 1 hour in length; 25 minute halves; 10 minute half-time.
5. The National Anthem will be played at the start of the 1:00 PM games, and again at the Championship games to keep the games moving and on time.
6. Coaches, please bring equipment bags to the games and leave them with Chris after your final game. Make sure to check in with him and not just drop the bag and go. You should have the bag, 2 footballs, 1 tee and a ball pump. The kids are allowed to keep their flags.
