This is a long standing tradition where Jr. Comet Girls Volleyball teams are the guests of the Crater Varsity team at one of their home games. **Kids and Coaches are admitted free in their Jr. Comet uniforms.** Parents and siblings are welcome to attend the game but must pay the normal entrance fee.

Around 6:40 we will take all of the players and line them up behind the bleachers and head down the ramp to form a tunnel for the Comets to run through!

- After this coaches and players return to sit in the upstairs bleachers and help cheer the Comets on to VICTORY.
